

# LOOKING FOR THE RIGHT JOB?

## Increase your chances of success!

Searching for the right job can be a difficult and frustrating process.

But, what if you were to take a few simple steps to improve your job application techniques and gain more confidence to increase your chances of success?

Job Search coaching is tailor-made to your needs. You can learn how to:

- Construct or strengthen your profile
- Improve your CV and Cover Letter
- Navigate the Dutch job market and learn how the Recruitment process works in the Netherlands
- Tailor your application to the job you're applying for
- Use social media, such as LinkedIn for your job search
- Prepare and practice interview techniques
- Guidance and information sources on where to find the jobs

Coaching takes place in the Statenkwartier area of The Hague and the first session is 1 ¼ hrs in duration.

Thereafter, you may take as many sessions as you need on an hourly basis.
