Partner programme invitation

You are cordially invited to become a partner in our mission to assist internationals to “...**successfully settle and live in the Netherlands** ...to provide unique, comprehensive and essential services nationally, through the expertise and experience of its volunteer expatriate community.”

Our partners are service providers in the Netherlands with services, or products which are of value and tailored to the characteristics and needs of internationals in the Netherlands.

We are one of the oldest organisations in the Netherlands, serving internationals and helping them to find answers, solutions and services required to enhance their settlement and living in a new country.

Together, we can serve them well.

With an average of 30 thousand unique visitors to our website, plus the more than 7 thousand followers on Facebook, Instagram and LinkedIn, not to mention the almost 8 thousand clients we served in 2020 (despite the covid pandemic) we **know** we provide value. Knowing there is someone you can reach out to – for an answer – is something no-one has dared put a price to.

It is, simply put, invaluable – and for many, life-saving.

Your support gives you exposure, but just as importantly, allows us to continue the work we have been doing since 1986 as a not-for-profit volunteer managed organisation.

Why?

- Recognition as a partner on website and magazine
- Inclusion in our database for referrals by our Helpdesks
- Invited to present to our community
- Benefit from social media support
- Enhanced corporate identity
- Further brand development
- Share your tailored services
- Contribute to community growth and development
- Show you care

Partnerships with ACCESS, our way of being able to continue our work with, and for the community, start at € 1,300/year.

“To my ACCESS family, I want you to know that my contribution to ACCESS does not even slightly equal to what ACCESS has contributed to me. I should actually be the one giving ACCESS a plaque of appreciation because truth be told, ACCESS has enormously helped me to not only survive but also thrive in the Netherlands. So, thank you!”

ACCESS Partners are stakeholders who invest in our work. They trust how we serve the international community and choose us (ACCESS) to spread their voices and tell their stories.

Will you join us?

For those who support us further, our VIP Partners will also be highlighted in our resources, share stories and illustrate their image. To find out more, get in touch with fnd@access-nl.org.

“I cannot thank you enough for all of your wonderful help. With(out) you I would not know about my rights. Your program and what you recommended me to do proves that there are STILL good people with great morals and know and understand what is basic right and wrong. I feel more prepared and I know my rights now. Once again I cannot thank you enough for recommending me to the agency below. They are so wonderful also.”
